**Prakash Solanki**

Faculty & Programme Director

Dear Sir/Madam,

**Sub: DST, Govt. of India Sponsored National Training Programme on  
Entrepreneurship Development and Management  
for Scientists and Technologists working in Govt. Sector  
(2<sup>nd</sup> to 13<sup>th</sup> December, 2019)**

Emergence of technology based enterprises and technology driven entrepreneurs is the need of the day, especially when the globalized world boasts of disappearing boundaries of world markets. To convert business ideas in to reality and to have more and more high tech and high end projects, there is a need to orient scientists and technologists of research laboratories and other R & D institutions to entrepreneurship.

With the above imperatives at hand, **Entrepreneurship Development Institute of India (EDI)** [promoted by IDBI, IFCI, ICICI and State Bank of India (SBI)] is organizing a specialized national training programme on "Entrepreneurship Development & Management for Scientists & Technologists working in Government sector" from **2<sup>nd</sup> to 13<sup>th</sup> December 2019 at its campus located at Ahmedabad (Gujarat)**. Programme is fully sponsored (except to & fro travel cost) by the Ministry of Science & Technology, Govt. of India, New Delhi hence **no fees will be charged**. Your institute/organization has been recommended by the Ministry for the purpose of participation. Enclosed brochure (with nomination form) will give you a fair idea about this activity.

Intake capacity for the programme is only 25 and the candidates **will be selected on first-come-first-served basis**. You are requested to please nominate scientist/technologist/professor from your organization/institute. You can nominate maximum two candidates from your organization / institute. Please note that dully filled-in nomination form/s must reach us on or before **15<sup>th</sup> November, 2019**. Nomination can also be sent through email at [psolanki@ediindia.org](mailto:psolanki@ediindia.org)

We look forward to receiving nomination from your Institute.

Thanking you, with regards,

Yours sincerely,

Prakash Solanki

New Delhi**

Organised by  
**Entrepreneurship  
Development  
Institute of India  
Ahmedabad, Gujarat**

# THE CONVERGENCE OF TECHNOLOGY AND ENTREPRENEURSHIP

Emphasis on technology has grown exponentially in the recent times on account of its significant role in propelling factors of success to significant heights. When incorporated in an entrepreneurial venture, the results are heartening. Technological solutions when applied or commercialized can result in successful entrepreneurial ventures. It is, therefore, prudent to presume that technological brains need to be beckoned in the world of entrepreneurship. Scientists,

when trained in entrepreneurship can better commercialize their technologies with benefits reaching out to wider audience.

Against this backdrop, **Entrepreneurship Development Institute of India, Ahmedabad** designs and administers a special programme for scientists and technologists on Entrepreneurship. The success of the first programme in 2011, led to its replication year and year. Till now, 317 scientists and technologists have already been trained. The Institute now announces the 16th programme in the series.

## PROGRAMME OBJECTIVES

The major objectives of this programme are to arouse interest amongst scientists & technologists about entrepreneurship, sensitize them towards this discipline and establish the importance of owning knowledge based innovative business ventures. Other specific objectives are to:

- ▶ Promote knowledge based entrepreneurship.
- ▶ Strengthen and develop collaborative linkages with national and international institutions in the sector.
- ▶ Bring in the expertise of basic and applied research as well as real-world experience to business planning efforts of entrepreneurially inclined scientists and researchers.

## PROGRAMME CONTENT

- ▶ Entrepreneur, Enterprise and Entrepreneurship
- ▶ Role & Importance of R & D in Entrepreneurship
- ▶ Business Opportunity Identification and Selection
- ▶ Information on Support System and various schemes for assistance for New Enterprise Creation
- ▶ Gender Mainstreaming in Entrepreneurship
- ▶ Business Plan Preparation
- ▶ Intellectual Property Rights (IPR)
- ▶ Quality Standards in Industries
- ▶ Operational Excellence in Industries
- ▶ Goal Oriented Project Planning
- ▶ Govt. Policy to Promote Science and Technology Driven Enterprises

### PEDAGOGY

- ▶ Class room lecture-cum-discussion on concepts and practices of entrepreneurship
- ▶ Case studies, group discussions, role-plays and simulation exercises for development of requisite competencies
- ▶ Audio-visuals to understand the key issues of entrepreneurship development and management
- ▶ Intensive interaction with subject experts and successful entrepreneurs
- ▶ Industrial visits to understand the overall operation and mechanism

### TARGET GROUP

The programme has been specially designed for scientists/technologists (Group A only) working in departments / ministries of central govt., public sector units, govt. aided research institutes, govt. research

laboratories and scientists / technologists working state governments. The scientists and academicians from central and state universities, education institutions & colleges, engaged in R & D in a discipline of Science & Technology, are also eligible.

### PROGRAMME DURATION & VENUE

This two-week residential programme is scheduled during **2 - 13 December, 2019** at EDII campus, Ahmedabad (Gujarat). Programme is sponsored by the **Department of Science & Technology, Govt. of India, New Delhi** and hence **no fees will be charged**. However, to and fro travel cost will be borne by the participant/nominating organisation.

### BATCH SIZE

Intake capacity of this programme is **25 participants only** and they will be admitted on **first-come-first-serve basis**, provided they meet the criteria set by DST, Govt. of India.

### HOW TO APPLY

The enclosed nomination form, duly filled-in, must reach us on or before **15<sup>th</sup> November, 2019** at the following address:

**Mr. Prakash Solanki** (Programme Director)  
**Entrepreneurship Development Institute of India**  
 Nr. Apollo Hospital & Narayani Heights,  
 P.O. Bhat 382 428, Dist. Gandhinagar, Gujarat  
 Tel : (079) 23969159/161/163

Mob.: 097238 16384  
 Fax: 079-23969164, 23969155

**Nomination can also be sent through email at [psolanki@ediindia.org](mailto:psolanki@ediindia.org)**

“ I had come with the motive of attending a capacity building programme but this training has not just honed my capabilities but has also armed me with new skill sets. I am glad that I know about new traits and competencies that will go a long way in ensuring that I harness the resources to ensure maximum output. ”

Dr. K. I. Suresh, Senior Principal Scientist, CSIR - Indian Institute of Chemical Technology, Hyderabad

“ Being entrepreneurial was a new idea for me. It intrigued me and that was the reason behind my decision to attend this training programme. I am happy that I learnt how a synergy between technical know-how and entrepreneurial abilities could create impact-making results. This training will reflect in my performance from now on. ”

Dr. K. P. Raghuprasad, Professor, University of Agriculture Science, Bangalore

## THE INSTITUTE

An acknowledged National Resource Institute for Entrepreneurship Education, Research, Training & Institution Building.

Entrepreneurship Development Institute of India (EDII), an autonomous and not-for-profit institute, set up in 1983, is sponsored by apex financial institutions - the IDBI Bank Ltd., IFCI Ltd., ICICI Bank Ltd. and the State Bank of India (SBI). The Government of Gujarat pledged twenty-three acres of land on which stands the majestic and sprawling EDII campus. To pursue its mission, EDII has helped set up twelve state-level exclusive entrepreneurship development centres and institutes. One of the satisfying achievements, however, was taking entrepreneurship to a large number of schools, colleges, science and technology institutions and management schools in several states by including entrepreneurship inputs in their curricula. In view of EDII's expertise in Entrepreneurship, the University Grants Commission had also assigned EDII the task of developing curriculum on Entrepreneurship and the Gujarat Textbook Board assigned to it the task of developing textbooks on Entrepreneurship for 11th & 12th standards.

In order to broaden the frontiers of Entrepreneurship Research, EDII has established a Centre for Research in Entrepreneurship Education and Development (CREED), to investigate into a range of issues surrounding small and medium enterprise sector, and establish a network of researchers and trainers by conducting a biennial seminar on entrepreneurship education and research.

In the international arena, efforts to develop entrepreneurship by way of sharing resources and organising training programmes, have helped EDII earn accolades and support from the World Bank, Commonwealth Secretariat, UNIDO, ILO, FNSt, British Council, Ford Foundation, European Union, ASEAN Secretariat and several other renowned agencies.
