PAPERS PRESENTED IN SYMPOSIA/ SEMINARS

- Anitha Karun, Jiji George, Venkataramana, K.T., Nainar, P., Arun Kumar, E.P., Lakshmi Jayaraj, K., Rajesh, M.K. 2008. Genetic diversity studies of palmyrah (*Borassus flabellifer* L.) accessions by RAPD markers. Paper presented in National Symposium "From Chromosomes to Genomes- Challenges and Prospects" held at University of Kerala, Thiruvananthapuram, Kerala from 26th-28th March, 2008. O-2.12. pp. 44.

- Anitha Karun, Rajesh, M.K., Sajini, K.K., Radha, E. and Parthasarathy, V. A. 2007. Regeneration systems in plantation crops. Status paper in 'Proceedings of National Seminar on Horticultural Biotechnology: Present Status and Future Action Plan'. Held at IIHR, Bangalore on 8th December 2007, pp. 50-56.
- George V. Thomas. 2007. Coconut based banana production system. In: National Conference on Banana. 25-28 October, 2007, NRC Banana, Trichy, Tamil Nadu.
- Mary Varghese, K. and Sosamma, V. K. 2008. *Pratylenchus coffeae* infestation on corm, *Amorphophallus companulatus* from Kerala. Paper presented in International Conference on Sustainable Agriculture 6-7 Feb. 2008, CMS College, Kottayam, Kerala State, India. P.45.
- Murali Gopal, Kathy Snars, Anna Swain and Phil Brookes. 2007. Effect of vermicomposts produced from palm based litters on soil microbial biomass and microbial activity. Poster presented during Rothamsted Research Day, 5th October 2007, Rothamsted Research, Harpenden, UK.
- Niral, V., Manju Augustine, Samsudeen, K., Jerard, B. A., and Nair, R.V. 2008. Genetic diversity in coconut (*Cocos nucifera* L.) populations of Lakshadweep islands. In: *Abstracts: National Symposium on Plant biotechnology for conservation, characterization and crop improvement & 29th Annual meeting of plant tissue culture association (India)*, February 8-10, 2008, Department of Biotechnology, Mohanlal Sukhadia University, Udaipur, Abstract No. CP 13, pp. 85.
- Rajesh, M.K. and Anitha Karun. 2007. Isolation and characterization of stress responsive genes in coconut. Status paper in 'Proceedings of National Seminar on Horticultural Biotechnology: Present Status and Future Action Plan'. Held at IIHR, Bangalore on December 8th 2007, pp. 9-11.
- Rajesh, M.K., Anitha Karun, George V. Thomas and Parthasarathy, V. A. 2007. Databases for coconut and cocoa. Status paper in 'Proceedings of National Seminar on Horticultural Biotechnology: Present Status and Future Action Plan'. Held at IIHR, Bangalore on 8th December 2007, pp. 272-273.
- Rajesh, M. K., Niral, V., Manimekalai, R., Devakumar, K., Anitha Karun and Parthasarathy, V. A. 2007. Molecular markers in coconut. Status paper in 'Proceedings of National Seminar on Horticultural Biotechnology: Present Status and Future Action Plan'. Held at IIHR, Bangalore on 8th December 2007, pp. 176-180.
- Samsudeen, K., Niral, V., Jerard, B. A, Rajesh, M. K. and Nair, R.V. 2008. Conservation and utilization of indigenous coconut (*Cocos nucifera* L.) genetic resources. In: *Abstracts International Conference on Biodiversity Conservation and Management (BIOCAM 2008)*, February 3-6, 2008, Cochin University of Science and Technology, Cochin, Kerala, Abstract No. CMB 38, pp. 185.
- Sreesmitha, V., Rajesh, M.K., Anitha Karun, Ramesh Kumar, M.P. and George V. Thomas. 2008. *In silico* prediction of function and modeling of WRKY2 protein in coconut (*Cocos nucifera* L.). Poster presented in National Symposium "From Chromosomes to Genomes- Challenges and Prospects" held at University of Kerala, Thiruvananthapuram, Kerala from 26th-28th March, 2008. P- 4.3. pp. 77.
